MIP DIGITAL FRONTS

The NEW International Screenings for Original Online Video

Over a dozen of the world's most acclaimed digital studios present the hottest new web series and online channels with global reach. Meet the talent and creative teams behind the play button.

The MIP Digital Fronts creates a true digital content marketplace and is the must-attend showcase for producers, brands, channels and everyone involved in the digital entertainment frontier.

SCREENING IS BELIEVING!

▷ FOUNDING PARTNERS SHOWCASES

YouTube and Maker Studios, the most celebrated forces in online entertainment, will each present their groundbreaking productions in the Grand Auditorium, on Wednesday 9 April.

You Tube™
